

IN MEMORY OF ROD LEGGETT  
CHURCH TREASURER FROM  
MARCH 2013 ~ DECEMBER 2018

## Giving during these “Stay at Home” times!

As we all stay at home to stay safe, some functions at Federated Church must continue, such as paying outstanding bills and processing payroll for our beloved staff. Your monthly pledges and offerings would normally be collected during regular worship services. If you’re like me, I bring my monthly pledge check to church and put it in the offering plate one Sunday during the month. Others prefer to write a weekly check or give cash as they are able during the offering time. All of us faithfully put money in the offering plates to facilitate the good work God has called us to do. These gifts are handled carefully and become the contributed income of Federated Church.

Unfortunately, these are anything but normal times, and since we are unable to worship together in our Sanctuary right now, we need to do things differently. You can use the USPS to mail your pledge to Federated Church at 1031 Thompson Way, Placerville, CA 95667. Our volunteer bookkeeper Priscilla Dixon has been faithfully getting the mail, making deposits, and paying the bills. You can also arrange for an online bill payment and have a check sent to Federated Church. As long as your name is noted on the check, we will credit your giving statement. If you already have an electronic fund transfer set up, these will continue unless you direct otherwise.

In addition to these traditional ways, you can also make a donation to Federated Church in a new way using **PayPal**, which is an online service you may already use to make payments or purchases. Now you can use *PayPal’s Donation Services* to give to Federated Church in a safe manner online. The difference will be your receipt – please keep a copy of your PayPal email confirmation as proof of your charitable donation to Federated Church. Donations made through PayPal cannot also be shown on your church giving statement because you may only receive one receipt per charitable donation. Traditional donations sent directly to Federated Church will be reflected as usual on your giving statement generated at the end of the year.

Being faithful in your giving will help Federated Church continue to meet its obligations during this “Stay at Home” time as we look with hope to the future when we will worship together again.

Sharon Fraser, Church Treasurer
